

Parking prices and time limits in Downtown Berkeley, Southside/Telegraph, and Elmwood *Effective January 1, 2017*

goBerkeley is a City of Berkeley program that makes parking easier to find in three of Berkeley's vibrant commercial districts.

goBerkeley works by raising or lowering parking rates to achieve 1-2 open spaces on every block. More parking availability means less circling, cleaner air, and safer streets for walking, biking, and driving.

Visit www.ci.berkeley.ca.us/transportation/ or www.goberkeley.info for more information.
